

A NEW LENS FOR
OPTIMIZED
EDUCATIONAL
FACILITIES

DENOVO DELIVERS FACILITY IMPROVEMENTS

DENOVO CONSTRUCTION MANAGEMENT IS A BETTER WAY FOR CLIENTS SEEKING TRUSTED CONSTRUCTION PARTNERS TO PLAN AND EXECUTE BUILDING PROJECTS.

The path to high performance starts with identifying facility needs and focusing resources into attainable project results.

THE DENOVO DIFFERENCE

DESIGN-FOCUSED CONSTRUCTION MANAGEMENT

By placing an emphasis on design, Denovo maximizes energy efficiency, manages system costs, and solves performance issues.

EARLY ENGAGEMENT OF DESIGN EXPERTS

Seasoned partners in delivering the best in early collaborative construction.

ALL INCLUSIVE AND TRANSPARENT CM FEE

Denovo's fee structure is forthright and clear, allowing owners to proceed with confidence.

OWNER PARTICIPATION ENCOURAGED

A user-centered, iterative design process reveals the greatest solutions to site specific concerns.

COMMITTED TO WORKING FOR THE BEST INTEREST OF THE CLIENT

Denovo's top priority is achieving a path to facility goals on time and on budget.

ACHIEVING YOUR OBJECTIVES

Our services enable districts to accomplish facility goals, whatever those may be.

Energy and
Operational Efficiencies

Project Costs

DENOVO CONSTRUCTION MANAGEMENT

A PROJECT DESIGN AND DELIVERY TEAM COMMITTED TO WORKING TRANSPARENTLY IN THE BEST INTEREST OF THE DISTRICT.

- Denovo's Construction Management team engages at an early stage, ensuring the client's interests are at the forefront of every project decision.

- As experts in both Design and Construction, the transition from planning to building is seamless and well managed.

Denovo's Construction Management delivers more accurate budgets, collaborative constructability discussions, and a smoother construction process. This Alternate Procurement Delivery System complies with Iowa Public Procurement Laws (Chapter 26).
